

To Access your Customer Profile settings please follow the 2 options below:

Once logged into your Dashboard, select the Track option

Scroll down to the bottom of the page to the disaggregation pie chart information and select the Update profile to improve estimates button

OR

You can also access this profile settings from your main login page by scrolling to the very bottom and selecting the Household Profile hyperlink

Assign your particular preferences for each question and select continue to navigate to the next screen:

Profile HOUSEHOLD OUTDOOR INDOOR SPECIAL X SAVE AND CLOSE

We want to know you better so we can provide accurate comparisons to similar households.

How many people typically live in your home?
If this changes regularly, choose the number of occupants that are in the home most of the time.

1 2 3 4 5 6 7 8 9+

Continue

There is a Back button that can be utilized to change an answer that was made on the previous screen:

1-25% 76-100%
 26-50% Don't know

Back Continue

Once you have answered all the profile settings questions, select the Save and close button. Your next water report will now reflect more accurate information!

Profile HOUSEHOLD OUTDOOR INDOOR SPECIAL X SAVE AND CLOSE
