The Customer shall install, at Customer's own expense, a service line from the house collection line to the Customer's point of use. Inspection must be made by CCWCID during the construction in accordance with the attached details or Customer may be required to uncover the connection.

**The Customer shall hold CCWCID harmless from any and all claims or demands, including those arising out of CCWCID's negligent acts or omissions, for damage to real or personal property occurring from subscription for services.** The Customer agrees to grant to CCWCID an easement of right-of-way for the purpose of inspecting, repairing, or replacing service lines, as deemed necessary by CCWCID.
